WELCOME TO THE SECOND ANNUAL MODCITYARTS AWARD CEREMONY

Modesto City Schools has a long history of operating successful Career Technical Education (CTE) programs. Today's CTE programs are rigorous and relevant programs that combine academic knowledge with technical skills and application of learning in hands-on, real-life contexts to prepare students with viable skills for today's increasingly complex workforce.

Of all the career industries, the Arts, Media, and Entertainment sector requires perhaps the greatest cross-disciplinary interaction because the work in this sector has a propensity to be largely project-based, requiring both independent work and interdependent management skills for career success. New technologies are also constantly reshaping the boundaries and skill sets of many arts career pathways. Consequently, core arts-sector occupations demand constantly varying combinations of artistic imagination,

metaphoric representation, symbolic connections, and technical skills. Our student's work demonstrates that.

Successful career preparation involves both broad and in-depth academic and technical preparation as well as the cultivation of twenty-first-century skill assets, such as flexibility, problem-solving abilities, and interpersonal skills. Learning the skills and knowledge for creating, refining, and sharing work in the Arts, Media, and Entertainment industry sector promotes teamwork, communication, creative thinking, and decision-making abilities—traits that are necessary to function successfully in the competitive and media-rich twenty-first century.

Through the manipulation of sight, sound, and motion, students create unique ways to enhance the world around them.

THANK YOU
for your support

MODESTO CITY SCHOOLS | CAREER TECH ED

MODCITYARTS

SPECIAL THANKS TO OUR AME & CTE COMMUNITY

We are so incredibly thankful to our school and Modesto communities and partners in education! Thank you Rachelle Barkus for your continued support and advocacy for our programs and pathways. We appreciate all you do for Career Tech Ed!

We are especially thankful to all our judges who volunteered their personal time to review all the entries and select winners: Seth Grant (Video), Sajay Bahn (Video), Andrew Fischer Wong (Video), Justin Krone (Video), Danny Savage (Video), Mitch Zeigler (Photo), Mark Murray (Photo), Alex Shoob (Photo), Laurence Peters (Design), and John Biven (Design), thank you for your service to education and the Arts!
